OUR CLASSES FOR SPRING 2022

Mixed Martial Arts (MMA) for Fitness

teaches drills and skills from various disciplines such as Karate, Kickboxing, Muay Thai, Wushu Sanda, Jujitsu and Judo. This class uses non-combative techniques to build a stronger, more flexible and more agile physique. All levels welcome with no martial arts knowledge required. *Train with champion and black belt*

martial artists! For children ages 5+

Zumba Fitness

is a mix of low-intensity and high-intensity moves for a calorie-burning dance fitness party set to Latin and World rhythms. Combines all elements of

fitness: cardio, muscle conditioning, flexibility, energy and a dose of awesome! *Classes for adults 18+ and children 5+*

BodyBalance is a motivating blend of New Generation Yoga with Pilates and Tai Chi, set to beautiful, inspiring music. This

program improves flexibility and increases core strength while reducing stress levels. Controlled breathing and carefully structured stretches and poses create a holistic workout that brings your body to a state of harmony. *Classes for adults 18+*

BodyPump is a full-body barbell workout that will burn calories, shape and tone your entire body, increase core strength, and

improve bone health. This program is based on THE REP EFFECT, a proven formula that exhausts muscles using light weights and performing high repetitions to develop lean, athletic muscle. *Classes for adults 18+*

CRC (Cardio, Resistance, Core) blends essential fitness elements into a workout scalable from beginner to athlete. The class has cardio moves to lift the heart rate (inspired by aerobics, dance and martial arts), light-weight exercises to tone the body, and core work for stronger abs and

back. Perfect for those who wish to give their body plenty of options for success! *Classes for adults 18+*
